

autumn art

Jennifer Tyler

paint stampers

use a sponge, cut a vegetable into a shape or use things like leaves as stampers

Alexandra Byard

make it 3D

glue on string, screwed up tissue paper or big blobs of paint to raise the picture from the paper

Freddie Hall

stick real things on

find small leaves, blades of grass, flowers or seeds and stick them to the picture

Thomas Bunyan

different materials

try to make the texture of the picture using cloth, papers or different crayons, pencils and pens

Sandra Gill

see-through colour

some materials are see-through like plastics and thin papers...try using these to add colour

Oscar Ingham

bits 'n' bobs

cut up other pictures into small bits to make colour and texture - it looks really cool!
