

Snow angel

- Wrap up REALLY warm :D)
- Find a fresh area of snow like a blank canvas
- Lie down on the snow then sweep your arms and legs up and down across the snow - this creates the wings and the angel's skirt.
- Carefully get up - try not to disturb the snow angel shape you've just made
- Now take a picture and email it to us!

What other shapes can you make - can you make animals or trees?

Send us your pictures!
