

Winter scavenger hunt

winter

How many of these winter treasures can you find? Whatever is growing on a tree (such as leaves, branches, flowers and seeds), the tree still needs it. Please collect only from the woodland floor.

- Spiky, shiny holly leaves
- Long tickly pine needles
- Tough, smooth leaves of an evergreen plant such as box
- Smooth bark of a cherry tree, with its horizontal stripes
- Bumpy, jigsaw pattern bark of a Scots pine
- Rough oak bark with its deep vertical cracks
- A green cone still to ripen on the tree (please leave it there)
- A ripe cone with open bracts
- A cone shorter than your thumb
- Seed catkins on birch trees
- A leaf skeleton
- A twig with two or three different species of lichen

learning through the seasons
