

Badger Wood showing the areas lost along the route of the new road.

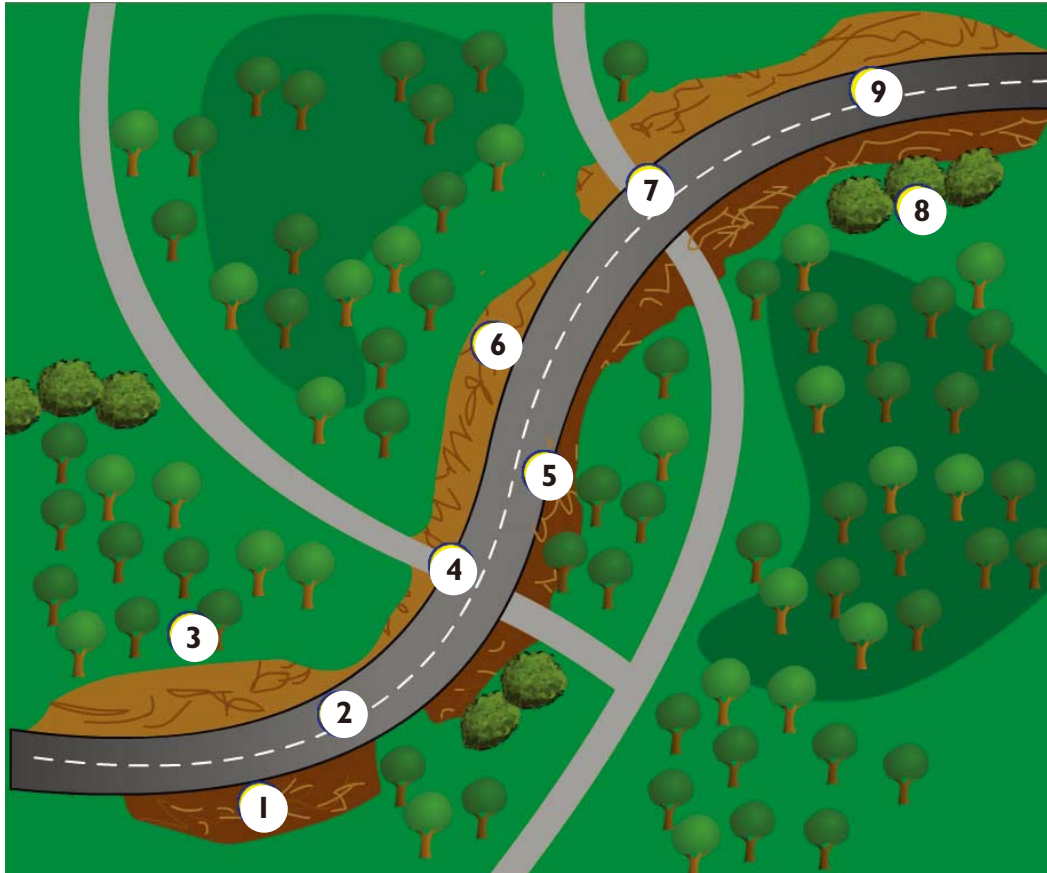

Areas lost if the road is built

1. Marshy area drained
2. Large pond drained and filled in
3. Route of stream diverted
4. Bluebells dug up
5. Wildflower meadow built over
6. 50 mature trees surrounding pond removed
7. Numerous piles of rotting logs cleared
8. Ancient oak tree cut down
9. Hedgerows removed for machinery access

--- route of road

Badger Wood showing the planned route of the new road.

Areas lost if the road is built

1. Marshy area drained
2. Large pond drained and filled in
3. Route of stream diverted
4. Bluebells dug up
5. Wildflower meadow built over
6. 50 mature trees surrounding pond removed
7. Numerous piles of rotting logs cleared
8. 1 ancient oak tree cut down
9. Hedgerows removed for machinery access
