

Make a feely box

Make a 'feely box' and get your friends to try and guess what is inside just by touching the contents.

1. Invent it

Design your feely box – what would make it really cool? Think about where you might store your items. How will you stop your 'feeler' cheating and peeping inside?

2. Make it

What will you make your feely box out of? Does it need to be strong and sturdy? How will you keep what's inside a secret?

3. Decorate it

Paint it, stick things on the outside, cover it in bright paper... How will you decorate your feely box?

4. Collect

What will you put inside your feely box? Can you use your feely box to carry your items when you aren't collecting them?

5. Test it

Find a victim to stick their hand in and try it out :O) Mark their reactions on the scorecard below – are they shocked, scared, do they laugh?

Reaction scorecard
What reaction do the items in your feely box get? Draw them!

_____	
_____
