

Flutterby mobile

stuff you'll need:

2 twigs
string
coloured card
paint or crayons
glue
bits and bobs to stick on – glitter, sequins, feathers

step 1:

tie the twigs together tightly so they form a cross

step 2:

download and print the butterfly outlines – coloured card is best!

step 3:

cut out the butterflies and decorate them so they are really eye-catching

step 4:

attach the butterflies to the twigs

Ta da! You have a cool flutterby mobile :D)
