

Blindfold exploring

Summer

This is a fun and interesting way to explore the summer woodland. **Bring something you can use as a blindfold with you** or just keep your eyes shut!

Find a sunny woodland glade with interesting places and plants to explore. Lead your friend to each spot, carefully taking them around any obstacles or holes. Ask them to touch, listen or smell, depending on what's there to explore.

See if your friend can tell when they move from the sunny spots to the shade, or from grass to soil.
