Minibeast idial - air

Cut around the *outside* of this disc to make the cover for your **idial**
(don't forget to cut into the *bottom* segment – this bit shows the answers)

Put the cover on top of your disc and join them so it spins.
You could use a split pin through the middle, or push a drawing pin into a cork.

Spin the cover so that the arrow points to the picture you want to identify.
The inside segment will be revealed. Spin the cover and write your answers in.

Now take your idial out and see if it works in real life!
